

STATE OF MAINE  
PUBLIC UTILITIES COMMISSION

Docket No. 2002-507

October 8, 2002

VERIZON NEW ENGLAND INC.  
D/B/A VERIZON MAINE  
Request for Approval of Amendment  
to Interconnection Agreement with  
Lightship Telecom, LLC

ORDER APPROVING  
AMENDMENT NO. 4 TO  
INTERCONNECTION  
AGREEMENT WITH  
LIGHTSHIP TELECOM, LLC

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

---

In this Order, we approve an amendment to an Interconnection Agreement between Verizon New England Inc. d/b/a Verizon Maine (Verizon Maine) and Lightship Telecom, LLC (Lightship), pursuant to section 252 of the Telecommunications Act of 1996.

On April 26, 2002, in Docket No. 2002-177, the Commission approved an interconnection agreement between Verizon Maine and Lightship. That agreement incorporated terms and conditions of a separate agreement between Verizon New York and Level 3 Communications, approved by the New York Public Service Commission on April 27, 2001 in Docket No. 01-C-0148. As part of its April 26, 2002 Order, this Commission approved Amendment No. 1 to the agreement between Verizon Maine and Lightship. On June 12, 2002, in Docket No. 2002-271, this Commission approved Amendments No. 2 and 3 to the agreement.

On August 26, 2002, Verizon Maine filed Amendment No. 4 to its agreement with Lightship pursuant to 47 U.S.C. § 252, enacted by the Telecommunications Act of 1996. Interconnection agreements provide for interconnection between an incumbent local exchange carrier (ILEC) and another telecommunications carrier, including a competitive local exchange carrier (CLEC). An interconnection agreement may allow a telecommunications carrier to purchase unbundled network elements or local services at a discounted wholesale rate (the discount reflecting avoided cost), or both, from an ILEC (or CLEC). The amendment clarifies the applicability of reciprocal compensation for Internet traffic.

Section 252(e)(2) states that a state commission may reject a negotiated agreement only if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or if "the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity." We received no comments by the comment deadline set in a September 18, 2002 Notice of Agreement and Opportunity to Comment. We do not make either of the findings set for in section 252(e)(2) for rejection, and we therefore approve the agreement amendment.

We reserve judgment on whether the rates contained in the amended agreement are reasonable from the perspective of Verizon Maine's retail ratepayers. Verizon Maine is presently under an alternative form of regulation (AFOR) ordered by the Commission in Docket No. 94-123. The AFOR began in December, 1995. Under the AFOR, Verizon Maine bears the risk of lost revenues resulting from rates that are too low. In Docket No. 99-851, we have continued the AFOR until May 31, 2006. We do not resolve whether Verizon Maine is receiving reasonable compensation from any CLECs that may avail themselves of the rates provided to Lightship pursuant to 47 U.S.C. § 252(i).

The agreement amendment filed by Verizon Maine provides for interconnection between Lightship and Verizon Maine's network in Maine. If Lightship seeks to interconnect with networks maintained by other incumbent local exchange carriers in Maine, it must seek a termination, suspension, or modification of the exemption contained in 47 U.S.C. 251(f)(1)(A).

**ORDERING PARAGRAPHS**

Accordingly, we

1. Approve Amendment No. 4 to the Interconnection Agreement between Verizon New England Inc. d/b/a Verizon Maine and Lightship Telecom, LLC, attached hereto, pursuant to 47 U.S.C. § 252(e); and

2. Order that the Administrative Director shall make a copy of the attached Amendment available for public inspection and copying pursuant to 47 C.F.R. § 252(h) within 10 days of the date of this Order.

Dated at Augusta, Maine, this 8<sup>th</sup> day of October, 2002.
